

***Genuine SCENAR training in South San Francisco, CA***  
***March 16<sup>th</sup> -18<sup>th</sup>, 2018***

Dear Friends,

If you (or your loved ones) are one of the 20 million Americans in chronic pain, and you're not getting adequate relief from your treatment, this Scenar Seminar is for you.

You don't have to "learn how to live with your pain" or put up with unpleasant side effects from your medication. The good news is that there are Scenar techniques available that could safely cure your pain.

This seminar will change your life for the better. It will be held by Dr. Irina Ershova, MD, SCENAR Therapist of 25 years and a certified Level 3 SCENAR Trainer.

We will be happy to see our returning colleagues, as well as the new participants. Everybody will benefit from this exclusive workshop, as it always happens when Dr.Ershova shares her knowledge and expertise with you.

Sometimes however, Scenar practitioners are reluctant to travel, take time off work, and put aside other obligations. They might think they already know how to use the basic functions of Scenar, so why attend another training program?

And here's why. To treat pain effectively, we need to understand its root cause and help the body eliminate it. SCENAR team has run thousands of tests and are constantly conducting extensive research in pain management. Our seminars give you a rare, valuable opportunity to learn from the leader; to ask her questions that no one else can answer; to receive advice that no one else is qualified to offer.

Our participants are encouraged to and frequently bring their most difficult patients to get help during the seminar.

***“Back Pain. SCENAR therapy of acute and chronic back pain”***  
***(Enhancing the Scenar practitioners' self-confidence in dealing with various health issues and conditions). - \$765.00***

*Quick and Effective Back Pain Treatment with the SCENAR Device.*

In this world of increasingly sedentary lifestyles and long hours behind a desk or in the car, mostly manual labor, lower back pain is a common problem that chronically affects many people.

The master therapist – Dr.Irina Ershova - will demonstrate her unique approach in the treatment of the actual patients with complaints in the back.

**The seminar will cover:**

- 1) SCENAR Therapy principles, how to treat local complaints, how to apply SCENAR to zones of general regulation, specific therapy methods and practical exercises.
  - how to deal with local pain, dysfunction and discomfort;
  - treatment zones away from the local pain, e.g. reflex zones;
  - multi factor mechanisms of SCENAR-analgesia;
  - methods of pain control.
- 2) Increasing SCENAR Therapy Effectiveness. SCENAR Expertise.
  - evaluation of Scenar treatment results;
  - Scenar Expertise of «3P6P» (IR, Dose\*), @«0”, FM + Var;
  - how to select a zone for additional treatment during the procedure;
  - how to select an optimum General zone for the next procedure.
- 3) Scenar Electrodes.
  - how to use Scenar accessories/electrodes to assist treatments and speed up the recovery process;
  - SCENAR Operation Technique “Magic Glove”.

As part of the hands on SCENAR sessions students will need to practice on each other – access to abdominal and spinal regions will be required unless students specifically request otherwise. Students will experience the powerful healing effects of Scenar treatment over the 3-day course. All volunteers should wear loose fitting comfortable clothing.

Among other benefits, participants of the training will be able to purchase the latest SCENAR devices and external/remote electrodes with significant discounts. If you are planning on buying the devices and/or electrodes, please find attached the pricelist for the participants of this seminar only.

Please let us know your selection of items in advance so that we bring them along to CA. Please note: we have limited stock of these special priced devices, so to ensure your selection, the devices should be preordered.

**Certification from the RITM OKB ZAO** following successful completion of this training.

**Our team:** Dr. Irina Ershova, Tamara Goncharova (1 (817) 899 – 5745) and Olga Davis (1 (817) 228 – 2636) will be staying at Larkspur Landing South SF.
